1. 在 1945 年 10 月 25 日，日本帝国主义在第二次世界大战中投降，中国人民从此结束了长达十四年的屈辱历史。这一天，对于中华民族来说，是一个具有划时代意义的日子。

2. 回顾历史，我们可以看到，日本帝国主义在侵华期间，犯下了滔天罪行。他们不仅掠夺了中国的领土和财富，更残酷地镇压了中国人民的反抗，给中国人民带来了深重的灾难。

3. 然而，正是中国人民不屈不挠的斗争，最终迫使日本帝国主义投降。这充分证明了中国人民是不可战胜的，也证明了任何侵略者的罪恶行径最终都会受到历史的审判。

4. 今天，我们纪念这一天，是为了铭记历史，珍爱和平。我们要时刻警惕历史悲剧的重演，坚决维护国家的主权和领土完整。

5. 同时，我们也要看到，和平来之不易。我们要继续发扬爱国主义精神，团结一心，为国家的繁荣富强和民族的伟大复兴而努力奋斗。

6. 最后，我们要向所有为民族独立和自由而英勇斗争的先辈们致以崇高的敬意。他们的牺牲和奉献，换来了我们今天来之不易的和平与安宁。

7. 让我们携手共进，共创美好未来，为实现中华民族伟大复兴的中国梦而努力！

EAST EUROPEAN ACCESSIONS LIST

Vol. 5, No. 12

DECEMBER 1956

THE LIBRARY OF CONGRESS
WASHINGTON: 1957

Introduction

The *East European Accessions List* is a monthly record of monographic publications issued after 1944 and periodical publications issued after 1950 which are currently received by the Library of Congress and, as indicated, by other American libraries. Imprints of the following countries as well as publications issued elsewhere in the languages of these countries are included :

| | | |
|----------------|-----------|------------|
| Albania | Estonia | Poland |
| Bulgaria | Hungary | Rumania |
| Czechoslovakia | Latvia | Yugoslavia |
| | Lithuania | |

Monographic and periodical publications are arranged by country and grouped under 17 general subjects with monographs and periodicals separately alphabetized under each subject. Monographs in series and annual publications are treated as monographs and are included in the list of monographs. Each monograph is listed in the original language or in transliteration—in accordance with the Library of Congress practice—followed by a translation of the title. Each periodical is listed in the original language or in transliteration followed by a descriptive annotation in English including, as available, the name of the issuing body, language statement, frequency of publication, and history note. Periodical receipts are recorded by volume, number, and date. A listing of the contents (in English) is provided for selected periodicals in accordance with their importance and the availability of staff. Unless otherwise indicated, all listed items are represented in the collections of the Library of Congress. Identifying symbols indicate the items available in other libraries. Periodical issues credited to the National Library of Medicine (DNLM) are indexed in its *Current List of Medical Literature*.

A subject index to monographs and periodical contents, with a list of periodical title abbreviations used therein, is provided.

Cumulative lists of East European periodical and newspaper titles received by the Library of Congress and other American libraries are included with the December issue of each volume. The list of periodical titles is maintained by a monthly supplement of newly reported titles, with the supplements appearing during the first half of the year cumulated in the June issue of each volume. Symbols for libraries known to have current files of the periodicals and newspapers follow each title.

Certain forms of material from the East European area, such as textbooks below the university level, juvenilia, and less important pamphlets, are not fully cataloged by the Library of Congress nor are they included in the *List*; however they are cataloged by the Library in groups arranged by subject and are available for reference use.

The *East European Accessions List* is for sale by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C.

Price of single copies varies; subscription price, \$8.00 a year domestic, \$10.00 a year foreign.

PERIODICALS

Annual Cumulation

This list represents the receipts of the Library of Congress and other American libraries of post 1950 periodical titles published in the countries listed or published elsewhere in the languages of those countries. Because of the difficulties involved in distinguishing between periodicals and newspapers, the list of newspapers should also be consulted since it may contain titles which are sometimes classed as periodicals.

NEWSPAPERS

Annual Cumulation

This list represents the receipts of the Library of Congress and other American libraries of post 1944 newspaper titles published in the countries listed or published elsewhere in the languages of those countries. The date of the latest issue received by the Library of Congress is indicated. Transliterated titles are bracketed. Because of the difficulties involved in distinguishing between periodicals and newspapers, the list of periodicals should also be consulted since it may contain titles which are sometimes classed as newspapers.
